4.5 stars No one does sexy wolfy romance like CC! The first book in the new Pack series is a hot little read with some mild angst and a light enemies-to-lovers feel, at least on the part of one of the MCs. Simon and his mother were banished from the Blue Mountain pack when Simon was but 13. A dozen years later Simon has returned, only to find himself held captive by big

Blue Mountain by Cardeno C. was utter feel-good decadence. Per usual. It's the first in her Pack series and I can't wait to dive into the next one. Readers jump right into the story from the get-go. Mitch is with his brother, the Blue Mountain pack's Alpha, when they get word that an unauthorized Omega is in their territory.

Guilty Indulgence: Blue Mountain by @CardenoC #REVIEW

A man of action, Mitch Grant uproots his life to support his brother in leading the Blue Mountain pack. Mitch lives on the periphery, quietly protecting everyone, but always alone. A mate is a dream come true for Mitch, and he won't let little things like Simon's rejections, attacks, and insults get in their way.
