Burning Down The House Essays

Graywolf reissues one of its most successful essay collections with two new essays and a new foreword by Charles Baxter As much a rumination on the state of literature as a technical manual for aspiring writers, Burning Down the House has been enjoyed by readers and taught in classrooms for more than a decade. Readers are rewarded with thoughtful analysis, humorous one-liners, and plenty of brushfires that continue burning long after the book is closed.

Burning Down the House: Essays on Fiction: Baxter, Charles ...

I have long been a fan of Charles Baxter's short fiction, but I was introduced to his Burning Down the House: Essays on Fiction at a Lighthouse Writers' Workshop. His understanding of the larger elements of fiction and the sort of honesty and responsibility a writer needs satisfied something deeper than mere craft.

Burning Down the House: Essays on Fiction - Kindle edition ...

"Burning Down the House" had some amazing moments of insight into the world of modern fiction writing. I'd give it a higher rating, but some of the essays dragged and felt like complications of relatively straight-forward issues. In some essays, Baxter's premises seem to drift a little too much.

Burning Down the House: Essays on Fiction by Charles Baxter

Burn down that house, whatever it is. Choose Life B, and get on with it. Time's a wasting my friends, there's a match being lit somewhere, and we better get ready. Speaking of that, I'd better get going.
