## **The Game Localization Handbook - Heather Chandler ...**

The Game Localization handbook focuses on management and planning, and less on the translation aspects. So if you are looking for the latter this may not be for you. For the former, it gives a very clear overview and example schedules. Procedures will vary by company, but this book gives a good skeleton outline.

## **The Game Localization Handbook 2nd Edition - Heather ...**

This book attempts to theoretically approach video game localization and subtitling not only from the eyes of translation studies but also from multidisciplinary perspectives. You will find how game studies, ludology, hegemony theory, socio-cognition, visual studies, and translation studies generate new perspectives in video game localization.
