In many regards, Harrison's remains synonymous not just with internal medicine but with medicine in general. The editors of the 18th edition have skillfully balanced tradition with the desire and need for innovation. The result is a book that remains as fundamental to current medical practice as the first edition was in 1949." -JAMA

A miscellany is a collection of various pieces of writing by different authors. Meaning a mixture, medley, or assortment, a miscellany can include pieces on many subjects and in a variety of different forms. In contrast to anthologies, whose aim is to give a selective and canonical view of literature, miscellanies were produced for the entertainment of a contemporary audience and so instead ...

The anonymous story was published in London by the John Newbery company, a publisher of popular children's literature. In his introduction to an 1881 edition of the book, Charles Welsh wrote: Goody Two-Shoes was published in April 1765, and few nursery books have had a wider circulation, or have retained their position so long. The number of editions that have been published, both in England ...
