The Banker S New Clothes

The Bankers' New Clothes examines this claim and the narratives used by bankers, politicians, and regulators to rationalize the lack of reform, exposing them as invalid. Anat Admati and Martin Hellwig argue that we can have a safer and healthier banking system without sacrificing any of its benefits, and at essentially no cost to society.

The Bankers' New Clothes | Princeton University Press

"The Bankers' New Clothes accomplishes the near impossible by translating the arcane world of banking regulation into plain English. In doing so, it exposes as false the self-serving arguments against meaningful financial reform advanced by Wall Street executives and the captured politicians who serve their interests.
