Order your book today: Lean impact adapts the best practices from The Lean Startup to a new purpose – radically greater social good.The same principles of being customer-focused, building minimum viable products, and driving fast iteration through build-measure-learn feedback cycles apply, but innovation in the social sector is harder and involves some unique challenges.

Lean Impact for Social Good | Lean Startup Co.

The Lean Startup methodology has emerged as the most accepted process for launching a new unproven business model. In my simplified way of thinking about it, Lean Startup changes the model from emulating how big businesses operate to instead emulating how scientists discover and better understand the wonders of God's creation.
