Ideas Are Power Quotes (46 quotes) - Goodreads

The idea of a major war between Great Powers has also worn off. Fewer and fewer people remember being in the grip of such wars. It's one thing to occasionally watch a movie about it, it's another thing to have lived through it. (Raghu Karnad is a journalist and writer, and a recipient of the Windham–Campbell Literature Prize for nonfiction)

The Power of Ideas | Princeton University Press

The power of an idea is in our ability to capture it, harness it, bring it to life, and sustain it over time. I was part of a marketing agency and we had no shortage of ideas. When they came to us they were quickly forgotten. For those ideas we held onto, they were not properly cultivated and were never created.
